Description

Beautiful shining gold chain-drop earrings studded with diamonds. The gems are lovely and fiery, with added sparkle from the beautifully detailed hand-engraved patterning around the frame. • Condition: Excellent condition. • Fixing: Secure nine-carat (375) gold ear wires. • Hallmarks/stamps: None. The chains and pendants test as 18-carat (750) gold, the wires test as nine carat. • Size: 2.2 x 1cm. The central diamonds are just over 3mm and the outer ones 2mm. It's hard to measure them precisely as they're old hand-cut stones, each one unique, but that's approximately equivalent to just under 0.4CT across the two earrings. • Weight: 3.8g.
