Description

This is a stunning example of a ladies diamond cocktail watch made by the world renowned premier Swiss maker Movado. It has a heavy solid 18ct white gold case surrounded by diamonds with more diamonds to the shoulders, the perfect cocktail watch. The watch looks almost unworn. It has its original Omega black suede Movado box. If you would prefer a different strap please let us know. The case measures 16mm in diameter. The bracelet is full length and will fit a wrist size up to 18.5 cm or 7 1/4 inches. It can be shortened to fit a smaller wrist. The only work we have carried out is to ultrasonically clean the case and service the movement. As you would expect from Movado the watch is fully marked on the dial, movement and case. Movado are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class and really is a talking point. This watch is the perfect accessory for that little black dress, very Audrey Hepburn, it would certainly make a perfect gift. A watch to be handed down through the generations. We offer a highly personalised and bespoke service. If you would like to buy or reserve this watch...
