England, Circa 1870, 2.07m x
2.40m

Price

Sold

Item Reference: SA1172711

Date of manufacture: 1870

Dimensions

Height = 207 cm (81.5")

Width = 240 cm (94.5")

Description

Probably of English origin, this remarkable cotton patchwork quilt cover is one of the most detailed and finely worked examples I have seen. It is composed of myriad cotton hexagonal patches around a large central hexagonal medallion that forms a kaleidoscope of colour and movement. It must have taken literally years to make. The original printed floral border and lining is intact. Clean and in excellent condition, a really good example of the craft.

Internal Ref: MH696
