Description

A Geo III oak hanging corner cabinet of architectural design, the swan neck pediment having carved rosettes either side of a central carved shell, above a mahogany veneered frieze. The canted sides having fluted pilasters either side of the two doors which have one long and two short raised chamfered panels. Fine fitted interior with shaped shelves and three drawers. A bold cabinet in original condition which looks equally good open or closed. English Circa 1760.
