Sold

Item Reference: SA1172870

Date of manufacture: 1700

Dimensions

Height = 274 cm (107.9")

Width = 170 cm (66.9")

Description

Robert Kime would have understood and loved this carpet very much. The pastel blue, soft red flowers and pale yellow borders would have fitted right in with his aesthetic, as well as the obvious signs of repair, wear and great age. Cut down from a larger carpet and with much 19th century repair it is nonetheless a rare and desirable beauty. 5'7" x 9'0"
