Available for sale from Big Sky Fine Art in the English county of Dorset, this academic life drawing of a male nude is by the French artist Henry Arthur Roberts and dates from the early 1840s. The drawing is presented and supplied in a modest hand painted glazed wooden frame dating from the mid-20th century (which is shown in these photographs). This antique drawing is in good condition, commensurate with its age. It is in an untouched condition having never been restored. The paper has handling marks, some light surface dirt, the odd foxing mark and general age toning. The overall patina adds to the aesthetic and is supplied ready to hang and display.
