Description

A stunning carpet, in stunning condition. Because of the great pile height, the colours really glow and it feels marvellous underfoot. The field design of flower sprouting 'Botteh' on the navy field is tremendously energetic and keeps the eye moving, while that gorgeous greeny-gold border is as unusual as it is beautiful. I don't find them in this size very often, nor with this great age and great condition. Really fabulous! 5'6" x 14'7"
