Description

The colours on this antique Mahal carpet, are rustic and early, with an all over design, making it easy to place in a variety of rooms. The green tones and off whites are really lovely dyes and add immense character to this decorative antique carpet. Condition is good with some wear in places, with our sturdy anti-slip underlay (supplied in the price) this would aid the carpets condition greatly, as it stops the carpet moving around on the floor adding body to it.
