Description

A stunning, fine and impressive antique Victorian 4.64 carat diamond and 9 carat yellow gold, silver set brooch; part of our diverse antique diamond jewellery collections. This stunning, fine and impressive antique diamond brooch has been crafted in 9ct yellow gold with a silver setting. The scrolling pierced decorated scrolling feather frame is ornamented with seventy-two pavé set diamond, in a combination of Old European, mine and eight cuts, graduating in size dependant on location. This antique diamond brooch is further embellished with a single claw set Old European cut diamond to the lower portion, in addition to two curvilinear arrays accented with eleven individually claw set diamonds, completing the design. The diamond brooch secures to the reverse with a hinged pin and safety clasp. Due to the nature of the shape, this versatile antique spray brooch may also be utilised as a hair clip; a hair pin attachment is not included. This diamond brooch has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 9 carat gold and silver. This impressive brooch is supplied with three IDGL diamond grading report certificates fo...
