Description

1920's Heals of London Oak Wardrobe – Labelled A good quality, solid oak panelled wardrobe by Heals of London in the twenties. In excellent, clean condition and with the Heals makers label inset. This Heals oak wardrobe has two long well panelled doors with the original oak handles and matching panelled sides. Inside is the original brass hanging rail and solid oak storage shelf. Probably a special order as this Heals oak wardrobe splits, discreetly in two parts for ease of getting up a narrow staircase, this is entirely original. Standing on square legs and lovely original colour too.
