Description

A beautifully made antique Regency style mahogany leather top 2 tier table, dating from around the 1930's. The quality is outstanding, this is extremely well made and is a very useful size. It is perfect for use as an occasional side table in various settings around the home. It has a lovely inset leather top with gold tooled edges, there is fine satin wood inlay around the edges and a gorgeous flame mahogany lower tier. This sits on four splayed legs terminating in hairy paw casters. We have had this recently re-polished, the condition is excellent for its age.
