Description

A Charming Georgian Dresser top, Plate and Spice rack or even Book shelves. This is lovely piece I expect that originally it stood on a dresser base but it could be wall hung, there are two small cupboard doors on either side of the main shelves, these lock and are decorated with a small shell inlaid oval and abundant carving. This is a very old piece, the carvings are of mythical birds and flowers, and the small shelves over the cupboards are shaped and would have been intended to be used as candle stands. The back boards are Oak and the shelf has a superb patina and it is in good condition for its age. The shelf is 8" deep, it is 50" high, 70" long at the top and 67" long at the base. DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE. Delivery times vary from 7 to 28 days.
