Description

An impressive and beautiful antique Swedish satin birch coffee table. This was recently imported from Sweden, it dates from around the 1930's. It is a great size and is of amazing quality. It stands on cabriole legs terminating in claw and ball feet, there is lovely carving around the edges. The top has a nicely moulded edge and stunning satin birch grain patterns. We have had this re-polished, the condition is excellent for its age. Width – 36 inches , 91 cm Depth – 36 inches , 91 cm Height – 24 inches , 61 cm
