Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Vertex. It has a platinum case and the most exquisite European old cut diamonds which are deeper than modern day cut and are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing. The total carat weight is approximately 3cts. It also has diamonds to the collars on the traditional silk cord. The dial is totally original with steel peacock blue steel hands, in superb condition. It is quite stunning, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine, this is one of the best quality diamond watches we have come across. It has 20 large diamonds around the dial and more diamonds to the shoulders, they are all bright clear and well matched. It comes with a brand new quality black silk strap which we can make to fit any wrist size, just let us know the measurement you require or just send it back to us at a later date for resizing. The 17 jewel movement is an absolutely incredible sparkling clean and in like new condition, this is a movement from the golden age of Swiss watc...
