Height = 2 cm (0.8")

Width = 2.2 cm (0.9")

Description

Deep glowing red 19th century garnet clusters, each with three teardrop-shaped cabochons surrounded by rose-cut gems to make a pair of ivy leaves. For the Victorians, well versed in the language of flowers, the ivy represented enduring love, whether that of a deep friendship or a romance. The earrings started life as some other form of jewel and were converted with the addition of nine-carat gold wires. • Condition: Very good antique condition. • Fixing: Nine-carat (375) gold ear wires. • Era: Victorian (1837-1901) with later wires. • Size: 3.2cm drop from the top of the ear wire to the bottom of the drop. The drops measure 2 x 2.2cm. • Weight: 6.7g.
