Description

Always wonderful to have just an impressive and grand example, it's been a couple of years since one this size came into my possession. Measuring 13" tall, this one will certainly make a statement wherever you decide to display it. Made from solid English Oak, the six knobs to each side are used to move forward and rewind the day, date and month behind the three glazed apertures. All in full working order. The back panel is impressed with a crown mark and the words "Made In England" dating it to the early twentieth century, Edwardian in era, around 1910. Excellent condition, with a footprint measuring 9 3/4" x 3 1/8". Item ID: 33221 ———— FREE Worldwide Registered Airmail Directly From London, England
