Description

A magnificent antique Victorian mahogany open bookcase. This has been adapted by our restorer from an original three section Victorian wardrobe, so most of it is made from the original antique timber. It is of outstanding quality, the beautifully moulded cornice, edges and base are exactly as they were when this was crafted around 150 years ago. It now contains adjustable shelves with shark teeth supports, offering lots of storage space for an enormous amount of books. This has been re-polished and it is in great all round condition, with a gorgeous patina. The top lifts off and the two main sections lift off the base, this breaks down into four pieces so is fairly easy to transport. Width – 76 inches , 193 cm Depth – 15 inches , 38 cm Height – 82 inches , 208 cm
