Description

A beautiful pair of antique Swedish satin birch bergère armchairs in the Chippendale style. They were recently imported from Sweden, and they date from around the 1920-30's period. They have beautifully shaped frames and detailed carvings all over. They are double caned on the backs and sides with wonderful carved acanthus leaf scroll over arms, carved shaped legs with claw and ball feet. The satin birch wood has that typical silky look with gorgeous light and darker shades. They have been re-polished and re-upholstered in our cream natural cotton fabric. The seat and back cushions are sprung, so they are extremely comfortable as well as great looking. Width – 30 inches, 76 cm Depth – 31 inches, 79 cm Height – 32 inches, 82 cm Seat height – 18 inches, 46 cm
