Description

English Oak Revolving Bookcase C1900, 3 Tier Country House Scale 109cm. A handsome English revolving bookcase of good scale and elegant patina. A 3 tier revolving oak bookcase with 12 compartments and smoothly operating carousel mechanism upon brass castors. A well constructed bookcase, possibly by Maple and Co., made from quarter sawn English oak, structurally excellent and stable, a 109cm tall example which suggests a large country house or possible school or public library. Presented in mostly excellent condition, structurally and operationally excellent, please note the brass castors are later but professionally fitted sometime in the 20th century and 1 of the vertical strips is missing, otherwise perfect. Dimensions Height 109cm Top 60cm square A fine English antique bookcase of both function and form with considerable decorative appeal and a country house aesthetic which can complement a classic or contemporary space. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available. We operate a weekly delivery service into London and surrounding areas of M25 for only £40, plus any relevant congestion ...
