Description

An exceptional, fine and impressive pair of antique George V English sterling silver candlesticks; an addition to our antique silverware collection. These exceptional, fine and impressive antique George V sterling silver candlesticks have a plain elongated octagonal panelled form onto a spreading base, in the desirable piano style. The panelled capitals retain the original hallmarked detachable push fit scone ornamented with a plain moulded rim. The capitals are supported by tapering columns, ornamented to the upper portion with a plain panelled knop. The lower portion of each column features a plain knop to a spreading flute decorated elongated octagonal foot, ornamented bands of reed decoration. These sterling silver candle holders have weighted bases and bear green baize coverings to the undersides. These piano style sterling silver candlesticks are a refined gift for weddings, anniversaries or housewarmings. Their classic design complements both vintage and contemporary interiors, making them ideal for display on a dining table, sideboard or mantelpiece. Condition These antique piano style candlesticks are an excellent gauge of silver, excellent quality and in...
