Description

Size: 9ft 8in x 3ft 8in (295 x 111cm). Antique South Caucasian or Shahsavan runner, with all repeat small medallion design. Circa 1890. The indigo field is filled with eight small medallions in a range of colours. The medallions really stand out against the dark indigo blue field. The wide ivory border with an ivory ground with the so called 'crab' design frames the runner well. This is a very good furnishing runner with great colour. The runner is in excellent condition with slight even wear and medium pile. Hand washed and ready for use or display. The runner is suitable for normal domestic use. Stock Number: R-2868.
