Description

A fantastic antique mahogany cabinet / chest on legs. This was made in England, it dates from around the 1900-1910 period. It has a stylish and elegant design, the quality is outstanding. This looks like a regular chest on chest, but three of the upper drawers are actually dummy drawers that open as a door to reveal a cabinet space. There is a pull out slide below the cabinet, so this would be great as a drinks cabinet, or as a bedroom storage piece. The cornice has lovely teardrop moulding, this stands on cabriole legs with shell carving at the knees. The top half lifts off the bottom half for ease of transport. We have had this re-polished to a high standard, the condition is excellent for its age. Width – 26 inches , 66 cm Depth – 20 inches , 51 cm Height – 63 inches , 160 cm
