Description

A good quality and very decorative still life of fruit dating from the late 19th / early 20th Century, after J. Pratt Snr. It is an oleograph print on board with hand-embellished details making it look remarkably like an original oil painting. It is framed in a lovely gilded frame. It is in good original condition. There are some minor signs of age and some light surface marks but nothing detrimental. There are some minor losses, small chips and areas of wear around the frame but the gilding is bright and overall it displays well. Approximate Measurements of the Frame : Height : 26" / 66cm Length : 22 1/2" / 57cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
