Description

A stunning pair of Art Deco walnut side chairs, made in England and dating from the 1920's. They are of wonderful quality and have a gorgeous design, with an interesting symmetrical lattice design to the back rests. They are of lovely proportions and would look great in various settings around the home, perhaps in a bedroom or hallway. We have had them stripped and re-polished to a very high standard, the seats have been newly upholstered in a cream cotton fabric. The condition is superb throughout.
