Description

Super quality and very elegant antique Regency rosewood two door side cabinet chiffonier with a fabulous rich colour throughout, brass grilles glazed doors and with a working lock and key, circa 1830 in good condition. Great to use as a drinks cabinet, adjustable bookcase or a useful storage piece without compromising on style! The glazed doors are newly lined with a neutral fabric, but it is no problem to change this fabric if you would rather a different colour etc...please get in touch. This is just a little wider than usual, but being slim it retains a light feel. Wonderful piece of English Regency antique furniture. Measuring: Height 36" / 91cm Width 52" / 132cm Depth 15" / 38cm
