Dimensions

Height = 123 cm (48.4")

Width = 41 cm (16.1")

Depth = 41 cm (16.1")

Description

A striking Edwardian floor lamp base crafted from brass and bronze. The designed has been influenced by the neoclassical style, the fluted column is topped with a detailed Corinthian capital, resting on a stepped square base with claw feet. Originally made during the transitional period from gas to electricity, the lamp would have been fitted for early electric lighting. A superb candidate for rewiring and restoration, ideal for traditional interiors or as a statement piece.
