Description

A fine-quality oak watchmaker's cabinet, originally made 1930s, later hand-painted with decorative signwriting, making it a newer addition. The front panels feature charming carved and gilded lettering for J. Masters, Watchmakers, 26 Leonard St, London, alongside witty slogans such as "Right on Time" and "Time is After You, You Better Run." The interior reveals four fitted drawers with brass handles, each labelled for Rolex, Cartier, Patek Philippe, Gallet, and Chains & Fobs, lined in deep blue baize. Beautifully made in solid oak with a warm golden patina. Its a striking and characterful display cabinet for any horological or advertising collection.
