A stunningly beautiful four piece Victorian silver tea and coffee set. Made in Birmingham in 1871 by one of Englands greatest Victorian silversmiths Frederick Elkington. The four pieces are in excellent condition with no damage or repairs. They are expertly cast and beautifully engraved. Each piece has crisp sets of full hallmarks. There is NO ivory in any of the pieces, all ivory has been replaced. One of the best teasets that I have seen, very useable. WEIGHT; 2427grams or 78 ozst approx. Free delivery in the UK.
