Sold**Item Reference: SA1174706****Date of manufacture: 1960**

Description

Gents 1968 Zenith wrist watch. The watch has a 17-jewel hand-winding movement, calibre 2310, which is working nicely. The movement is fully signed and it has the serial number 6,571,697 which dates it back to 1968. The watch measures 34mm diameter excluding the signed Zenith winding crown and the lugs. The case is gold filled and the signed case back is stainless steel. It is in good condition. The lens has a small patch of marking to the edge but not very noticeable to the naked eye. There is some white reflection showing in the photos. The signed dial is in its original finish with original hands. A new leather strap has been fitted. The watch comes in a new presentation box.
