Description

This chest is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest would look well in an old or modern property amongst similar antique pine furniture in a large bedroom. The chest stands on round bun feet supporting the main section. There are two small drawers over two larger drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The height is 80cm, the width is 102cm and the depth is 54cm.
