Description

The cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely antique brown bri wax giving it a stunning patina. The cabinets would look well in an old or modern property amongst similar antique pine furniture either side of a large bed. They would also look great either side of a sofa as lamp tables. The cabinets stand on a square plinth supporting the main section. There are four drawers. The drawers have ceramic round handles, dovetail joints and are pine lined. The tops are in good condition. The height is 73cm, the width is 38cm and the depth is 38cm.
