Description

A 19thC Simulated Rosewood, Painted Pine Waterfall Shelving Plate Rack, 114cm A handsome English country farmhouse, floor standing or wall mounted bookcase shelving or plate rack of good scale and elegant patina. A 4 tier simulated rosewood grain, painted pine bookcase with a waterfall, graduated shelves. A well constructed bookcase or plate rack, made from English pine and later painted to simulate a rosewood grain deciration structurally excellent and stable, a 114cm tall piece which can comfortably work as a floor standing or wall mounted item. Presented in mostly excellent condition, structurally excellent, please note the simulated grain paint is probably later but still 19th century, being a fashionable decorative alteration which has evidence of use and wear, see photos which we feel adds authenticity and character. Dimensions Height 114cm Width 92cm Depth 18cm A fine English antique bookcase of both function and form with considerable decorative appeal and a country house or farmhouse aesthetic which can complement a classic or contemporary space. Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. deliver...
