Description

An outstanding antique teak military campaign secrétaire chest of drawers, dating from around the 1860-1880 period. The quality is absolutely amazing, this is a very smart and very useful item. The top central drawer slides out and pulls down to reveal a leather top writing surface with pigeon holes and internal drawers. This has lots of storage space, all the drawers have fine hand cut dovetailed joints. There are beautiful brass fixtures throughout, and this comes apart in two pieces for ease of transport. We have just had this re-polished, it is in very good condition for its age. There is normal age related wear and various minor marks remaining here and there beneath the polish. Width - 39 inches , 99 cm Depth - 18 inches , 46 cm Height - 40 inches , 102 cm Knee height - 30 inches , 77 cm
