Description

A beautiful Art Deco onyx and brass table lamp, dating from the 1930s. This elegant piece combines solid green-white onyx blocks with finely cast brass detailing, creating a luxurious contrast of materials typical of the period's design. The lamp features a stepped square base with decorative brass trim, leading up to alternating onyx and brass sections that form a sculptural column. Its compact proportions make it ideal for use as a bedside, hallway, or accent lamp. Excellent vintage condition, with no chips or cracks to the onyx. The brass has a beautiful aged patina. Fully functional and rewired for modern use.
