Description

A gorgeous and extremely well made Art Deco birds eye maple nesting coffee table. This was made in England, it dates from the 1930's. The quality is superb, this is beautifully made from birds eye maple, with walnut cross banding on the top. The wood has a lovely colour tone and stunning grain patterns. The four smaller segmented tables nest beautifully under the larger flower shaped table, this is a most useful and stylish item. We have just had this stripped and re-polished to a very high standard, the condition is excellent throughout. Width - 74 cm , 29 inches Depth - 74 cm , 29 inches Height - 54 cm , 22 inches
