Description

A magnificent antique mahogany leather top partners desk. This was made in England, it dates from around the 1920's period. It is of extremely high quality, and is a large and impressive piece. The front has lots of drawers and storage space as you would expect, the back side has two lockable cabinets and an additional three drawers. It stands on bracket feet and has panelled sides, the mahogany has a beautiful colour, stunning grain patterns and a rich patina. The top has a gorgeous inset brown leather writing surface with gold tooled edges. This comes apart into three sections for easy transportation, it is a good working desk and has a generous sized kneehole space. We just had this recently polished, it is in fantastic condition for its age. Width – 66.5 inches , 169 cm Depth – 42 inches , 107 cm Height – 30 inches , 76 cm Knee height – 23.5 inches , 60 cm Knee width – 28 inches , 71 cm
