Description

Made by the renowned French maker DEP ~ from the Depary family name, who flourished in the Art Deco era of the 1920s and 30s. Also marketed at this time to stand for *Durée, Elegance and Precision*. Very stylish cubist shape, with an offset white marble block incorporating the face, set off against a larger variegated marble backing. Lovely clear face with it's superb Art Deco stylised elongated numerals that can't be mistaken for any other era. It is in really excellent original clean condition ~ please refer to the detailed photographs. Fully serviced by a qualified horologist. Please note this clock works better as do all mechanical clocks on a perfectly flat surface, and after moving needs a very gentle shake to start it off again, but then once settled, it has had no problems. Beautiful quality and lovely little clock & very evocative of the Art Deco period. The new owner will not be disappointed. FREE UK delivery
