Description

Pair of Moroccan Studded Leather and Repoussé Chairs A striking pair of Moroccan chairs featuring original thick brown leather upholstery with brass stud detailing. The frames are beautifully adorned with intricate repoussé metalwork, showcasing traditional North African motifs across the backrest, seat frame, and legs. The leather has developed a rich patina over time, adding warmth and authenticity to the overall character. The subtly sculpted legs and minimalist form are balanced by the tactile detail of the embossed metalwork, creating a refined yet textured aesthetic. Well suited for use in a hall, bedroom, or as occasional chairs, they reflect the quality and craftsmanship of traditional Moroccan design. Seat height 40cm.
