## Description

A pleasant change from the traditional mahogany cased/ Roman numerals, clocks of this style, this clock has a more contemporary, modern appeal since it has a light oak case and Arabic numerals. The 8 day, fusee movement has just been fully overhauled by our BHI horologist and carries our usual 12mths full parts and labour guarantee. The white painted dial has black, Arabic numerals and black, nicely cut hands. It is fronted by a cast brass bezel with bevelled glass, all in immaculate condition. The golden oak case has a side inspection door with an access door to the underside. A truly lovely clock that would be equally at home in several different styles of household. Delivery can be arranged from locally to Worldwide. All cards accepted.
