Description

Antique jadeite and seed pearl art deco earrings, 7cms long beautifully carved antique earrings. In lovely condition set in 15ct gold with seed pearls, 15ct gold was used in England through the Victorian era to the early 1920s when it was phased out and 9ct and 18ct were the new finesses, so any 15ct pieces are always antique and original. Jade and jade objects are also considered symbols of wealth and good fortune in Chinese Feng Shui and I find when I need a boost and wear them I often have financial luck.
