Description

French Brass Wall Light with Original Dugué Glass Shade. The Light has a brass swan neck arm and a back plate decorated with a hunting theme, a really lovely piece. The Brass is darkened with age, the shade is original, it has a minute chip on the edge, this is so small it will not photograph but you can feel it. This piece is working, with newish wiring and will need to be connected to an electrical supply. The light is 14" high, 9" deep and 4" wide. AH155
