Description

Beautiful Regency Antique Washstand Table in Original Paint. A fabulous, very decorative English early 19th century original painted pine washstand / side table with a fabulous shaped, gallery back and unusually, a working drawer to the front that has the original brass handles. In superb condition and with all the original lovely hand painted decorations intact. A rare survivor and a more unusual model with having the hole for a wash bowl and a working drawer beneath, usually the drawers are dummy. Lovely proportions, would be nice to find a bowl to fit, or easily could have the hole filled in. English and dating to 1815. Dimensions Height: 95cm (37.70") Width: 70cm (27.78") Depth: 43cm (17.06")
