Description

A beautiful and very useful antique figured walnut pie crust nesting coffee table. This was made in England, it dates from around the 1930's period. It is of superb quality, with a fine, elegant yet sturdy design. The larger circular coffee table and smaller pie shaped nesting side tables all have raised pie crust edges and sit on cabriole legs with shell carving at the knees. The colour tone, patina and walnut grain patterns are gorgeous throughout. We have had these recently re-polished, they are in lovely condition for their age.
