Width = 65.5 cm (25.8")

Depth = 65.5 cm (25.8")

Description

An antique three-tier dumb waiter in fiddleback mahogany, circa 1820. The design features three graduated circular tiers supported by a finely turned central column, resting on tripod legs with original brass castors. The beautifully figured mahogany surfaces display rich colour and depth, enhanced by a mellow patina consistent with age. A functional and elegant piece of Regency dining furniture, ideal for serving, displaying glassware, or as a decorative stand in modern interiors.

Internal Ref: 47709
