Description

A fine and handsome antique vintage travel case/trunk. Of quite small square proportions, this case is ideal as a his or her overnight/camping/picnic/weekend travel bag, especially if travelling in a classic vintage vehicle! This case evokes history and travel during an opulent period and still boasts the remnants of travel tickets. In heavy canvas and fine tan leather panels, coupled with solid brass lock and tie down straps, it's super stylish, yet functional and just waiting for that trip away - could even make a great Christmas hamper! Good overall condition, some obvious wear and tear commensurate with age and use, strong and usable with original lock and key in working order
