Description

French Antique Horologist's Storage Cabinet An attractive Clockmaker's Storage Cabinet that is made in pine and finished in black ebonised paint. Full of character, this piece comprises a sloped writing top that lifts to reveal a storage compartment with two small drawers with turned wooden drawer pulls. To the front is a shield escutcheon and a key (non-functioning). Below is a series of 27 drawers of differing sizes including some that contain dividers. Please see photographs. Each drawer has a brass drawer pull. The cabinet is structurally sound, in great condition and retains its original aged character with minor knocks and dents. This unique piece offers multiple options for storing collections. Shipping will be £150 for delivery to an address in England, France, Germany and Italy. We can provide quotes to the rest of the UK, Europe and worldwide
