Width = 115.5 cm (45.5")

Depth = 47.5 cm (18.7")

Description

An antique campaign-style chest in teak with rosewood detailing, c.1900. The piece features flush-mounted brass military handles, with two short drawers over three long drawers. The timber displays a warm grain and continuous colour across drawer fronts, while simple mouldings and a shaped apron give a restrained decorative note. Dovetailed drawer construction and panelled sides highlight traditional cabinetmaking, and the compact proportions suit bedrooms or hallways.

Internal Ref: 47805
