Description

Beautiful Art Deco Czech perfume bottle dating from the 1930s. Features a clear glass bottle with original stopper with jet black and red enamel decoration with exquisite acid etched detailing. A lot of work has gone into the decoration of this bottle which includes the stopper, very highly detailed. These size bottles are very hard to come by. Offered with no damage at all, no chips or scratches and little to no wear to the enamelling. There is some very minor surface marks to the base which is to be expected. This is the perfect find that will be an asset to any collection or to gift to an Art Deco admirer. The etched decoration is also in excellent condition. FREE UK delivery
