Description

Gents Zenith Stellina Victorious wrist watch, c1963. The watch has a calibre 40T hand-winding movement which is working nicely. The movement is fully signed and it has the serial number 5,549,462 which dates it back to around 1963. The watch measures 33.5mm diameter excluding the signed Zenith winding crown and the lugs. The case is stainless steel and it is in very nice condition, just a surface scratch to the back. The inside of the case back is signed with the Zenith name. The lens is in good condition (some reflection showing in the main photo). The signed dial is in its original finish with original dauphine hands and a subsidiary seconds dial. This watch comes under the Zenith's Stellina range of watches with an uncluttered dial, dauphine hands and the small star (Stellina) underneath the number 12. A new leather strap has been fitted. The watch comes in a new presentation box.
