Description

A stunning, fine and impressive pair of antique 4.24 carat diamond and platinum circular hoop earrings; part of our diverse antique jewellery collections. These stunning, fine and impressive antique diamond earrings have been crafted in platinum. These antique earrings are embellished with a feature 0.24ct and 0.22ct Old European cut diamond to the upper portions, each collet set in subtle relief. The feature diamonds are each surrounded by a swirl setting, ornamented with nineteen pavé set Old European round cut diamonds. The circular hoop shaped drops each feature twenty-one claw set diamonds, subtly graduating in size. These antique circular diamond earrings for pierced ears secure to the reverse with a post and hinged latch fastening. These stunning earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. These impressive antique diamond hoop earrings are supplied with two IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supporting stones. Such original antique examples are becoming increasingly difficult to locate. Image...
